Dear Mr Weiss

I personally want to take this opportunity to comment on the excellent level of service provided by the nurses and administrative personnel associated with OccuVAX's vaccine program.

Action Carting operates on a 24 hour basis, and in order to have as many of our employees receive the flu vaccine, the nurses had to be at our sites before dawn. That in itself is worthy of a recommendation. In addition the staff was instrumental in explaining the benefits of the vaccine and diminished the fears of "flu shots".

If I can be of any assistance to you please do not hesitate to contact me.

Sincerely,

Ken Levine,  
Director of Human Resources
