Dear Sam,

I was browsing the web to find an organization to work with for administration of the 2009/2010 flu vaccination. I came across your website and was not only pleased with the information contained within the website, but very impressed with the letters of recommendation posted. I was eager to use your services within my organization.

I especially loved the online scheduling feature. It saved me the administrative nightmare of scheduling, rescheduling, etc. The cost of the flu vaccination was comparable to most I had seen. All supplies were shipped as scheduled and very nicely packed with excellent instructions. Our nurse the day of the clinic was very personable. All of these attributes provided a very positive experience for me and my associates.

I look forward to working with you and the OccuVAX team again this year and many more to come.

Please don't hesitate to contact me should you need additional information.

Sincerely,

A handwritten signature in cursive script that reads 'Lisa M. Rogier'.
