Dear Sam,

As you know, First National Bank of Olathe prioritizes the wellness of its employees, offering the annual flu vaccination for minimal or no expense to them.

Since we started using OccuVax in 2005, you have kept the cost competitively and made my job as the bank coordinator almost effortless. Being able to sign on for the shots directly with you has been an efficient way to coordinate the process. When something is not going well, or we need some assistance, you are very good at meeting that need. You have accommodated us by agreeing to have two sites open to facilitate the convenience for each employee.

I appreciate your memos that give us good information we can pass on to our employees and look forward to working with you again this year.

Sincerely,

A handwritten signature in cursive script that reads 'Javonne Armstrong'.
