Global Reservation Sales
and Customer Care

1/7/2009

Dear Friends and Employers,

It has been our great pleasure at Marriott Global Reservation Sales to work with Sam Weiss, the Director, of OccuVAX for the last five years. OccuVAX has been great with working with our business needs, being a 24 hr, 7 day operation. Their prices have been competitive and the nurses and staff have been very professional, courteous and accommodating to our needs. The billing process for OccuVAX has been smooth and we've been very pleased. We look forward to long and healthy relationship with OccuVAX and recommend them highly. Please let me know if I can provide more information.

Sincerely,

Beverly Thompson,
