RE: Satisfaction with our 2009 Occuvax Experience

Dear Mr. Weiss,

I just wanted to let you know how satisfied we are again with the service that we received from Occuvax for our 2009 Flu Clinic. This was our third year dealing with your company, and we again received the excellent personal service we have come to expect from you. Your staff worked with us to schedule our clinic for a time convenient to us, and worked with us right up to the last minute to confirm the number of vaccine doses for which we had a demand. Our employees are delighted by the opportunity to obtain a flu vaccine onsite, and to protect themselves against illness and potential loss of work time.

I can recommend Occuvax to any company that may want to offer its employees the benefit of an onsite flu vaccine clinic.

Sincerely,

A handwritten signature in black ink that reads 'Laurabeth Barnett'.
