Dear Sam,

We would like to thank OccuVAX for conducting our Flu Shot Clinics over the past several years. I have personally scheduled and held the last two at our company and have been extremely pleased with the service we have received. My experience with everyone involved has been positive, from the immediate responses I receive from our contact, Angela Bellini, to the highly qualified nurses that are sent out to our site.

The clinics are conducted in a professional and proficient manner. Our clinics are typically completed in less than 2 hours for approximately 55-60 employees who register. It is also convenient for employees who cannot make the clinic to receive a voucher to get a flu shot at another time.

Please accept our thanks and appreciation. It is important to Midlands Choice to take care of our employees and keeping them healthy is a priority.

Sincerely,

Rachel D. Rau
