Dear Sam,

I would like to take a moment to thank you for four successful flu clinics at our two facilities four years in a row. That equals eight clinics with only compliments to your efforts.

The preparation, package deliveries, nursing staff, and billing all went smooth from start to finish. If any questions or complications arose, it was easy to contact someone at OccuVax and any dilemmas were resolved immediately.

Your company goes highly recommended and we look forward to working with you for many more in the future.

Regards,

Nori Gardner
