Dear Sam,

After an unpleasant and unprofessional experience in 2007 with a local company, we were anxious to find a highly-recommended, well-organized organization to provide our 2008 on-site flu clinic for our associates.

After learning about OccuVax, we were eager to utilize your services. I want to let you know that we were very pleased with your organization and were extremely impressed with the entire process. The online scheduling, the low cost of the vaccine, the great customer support, and the friendly, professional nurse all contributed to a positive experience for all of our associates.

We are already looking forward to scheduling our 2009 flu clinic with OccuVax!

Please feel free to contact me if you need any additional information.

Sincerely,

Becky Littlejohn
