Dear Sam:

On behalf of our Benefits & Compensation Department at Omaha Steaks, we wanted to let you know that we truly appreciate the excellent customer service that you continue to provide for us. You were again able to be flexible in scheduling flu shot clinics for our 5 locations, even having the ability to set up last minute clinics on short notice. The nurses were pleasant and easy to work with. In addition, the billing process was quick and efficient.

We look forward to continue doing business with your company in the future.

Sincerely,

Jeanne Owen
