Dear Mr. Weiss,

I would like to take this opportunity to thank you and your staff who provided flu, pneumonia and tetanus vaccinations to our company this last fall. I had never coordinated this effort before and I had many questions. Your staff was patient, kind and thorough in educating and helping me. I researched prices and processes with other providers and found OccuVAX to have the best of both.

We look forward to working with you again in the future.

May you have a happy and prosperous year.

Sincerely,

Retha Hance
