Dear Mr. Weiss:

Our office has been using OccuVax since 2006. Again this year we had 100% participation. I believe this is due in part to the efficiency of your company and staff. Everything from being able to register early in the year to the scheduled day of the vaccinations is seamless.

This year, I especially appreciated being informed when the H1N1 was available to us. Our employees were grateful they could receive it here at the office.

Thank you for the care you give our office and I look forward to scheduling with your company again soon.

Sincerely,

Sharrie Dye, CMM
