Dear Sam:

On behalf of Smurfit-Stone New Hartford, I would like to thank you for making the process of setting up our flu shot clinic an easy task. I especially liked the on-line sign up process. This made it so convenient for employees to sign up and for me to view the number of employees who had signed up.

The materials arrived in perfect condition with detailed instructions to mail back unused product. Overall I was very satisfied with the process and how smoothly it went. I would not hesitate to use your services again. I would confidently recommend your services to colleagues.

Thank you again.

Sincerely,

Sheila Snyder
