Dear Sam,

We have been a client of Occuvax since 2006. Each year you provide on-site flu shots for our employees in Omaha, Nebraska and also Arlington, Texas. I have worked with several other vendors over the years. Occuvax is by far the best vendor I have worked with. Everyone associated with Occuvax is professional, reliable and courteous.

Occuvax not only provides the best "customer service" but also the best value. Your pricing for flu shots has always been very competitive. Working with Occuvax makes the process much easier for me to administer. Your staff is very willing to accommodate our need to hold multiple flu shot clinics at multiple locations.

Our employees greatly appreciate the convenience and professionalism of your staff. My employees also appreciate (as do I) the ease of the online registration process. It works wonderfully for me so I can track how many have signed up and send out a reminder if I need to.

I really can't say enough good things about Occuvax. Prior to working with your company, setting up flu shot clinics was extremely time consuming and complicated. Occuvax makes it easy!

Sincerely,

Jean Munger
